Invitation

Dear Colleagues,

On the behalf of Marmara University Faculty of Health Sciences, Department of Physiotherapy, I am pleased to invite you to participate in a four-day meeting to discuss novel technology and telecommunication in physiotherapy and rehabilitation. With the revolution of the Industry 4.0 nowadays technological developments are healthcare is accelerated. Objective physiotherapy assessment, monitoring and rehabilitation technologies are the important elements of novel healthcare systems. Main topics with theme 'rehabilitation' are mobile-health, tele rehabilitation, virtual rehabilitation, wearable technology, sensory systems, assistive technology, robotic rehabilitation, 3D printing, imaging technologies etc. We aimed to bring experts from different fields (physiotherapist, mechatronics/mechanics engineers, industrial designer, etc) for the first time to organize more effective and useful use of technological developments in rehabilitation. We are happy to welcome you at Bosnia Herzegovina, sister city of Sarajevo with Istanbul. We will take great pleasure

in welcoming physiotherapists, engineers, medical doctors, researchers, health professionals and health institutes, biomedical companies to **1st International Congress on Physiotheranotherapy (ICPTT)** and hope that their stay in Sarajevo will be informative, educational and, last but not least, enjoyable.

Kind Regards,

Assoc. Prof. Dr. Zübeyir Sarı
